Work Experience

- MAY 2019
DEC 2022

Lead Interactive Developer | Avado Learning Ltd

Gained strong leadership skills while leading a team of 4 developers, oversaw hiring and upskilling. Constantly improved the team’s skills, while implementing new technologies and work practices, such as Sass, React, and BEM methodology. Promoted constant innovation. Drove the team’s visibility in the organisation by working closely with other departments. Played a significant role in promoting the company’s diversity and inclusion strategy, and qualified as a mental health first aider. Worked on bespoke projects for clients such as MetLife, EY and Philip Morris International.
- JUNE 2018
MAY 2019

Interactive Developer | Avado Learning Ltd

Developed interactive content for the CMI Level 5 course. Other projects include ACCA, AAT, and CIPD courses, while mentoring and sharing knowledge with other team members.
- JUL 2008
MAY 2018

Lead Multimedia Designer | ISQe eLearning

Responsible for HTML5 implementation. Developed e-learning courses and games in HTML, CSS, jQuery, and Canvas. Developed a web app detailing the human body in HTML5 for an academic publishing client.

About Me

I’ve always had a passion for creativity and technology.

As a leader, I like to focus on the growth and development of my team, diversity, and inclusion in the workplace, promoting mental health, and contribute to a great company culture.

My front-end development skills, attention to detail, creative flair, and eye for design are my superpowers.
